

Organisation

Organiser:

Prof. Elke Winterhager
University Hospital Essen
Institute of Molecular Biology
Hufelandstr. 55
tel.: +49 201 723 4387
fax : +49 201 723 5974
E-Mail: elke.winterhager@uk-essen.de

Venue:

University Hospital Essen, Hufelandstr. 55, 45122 Essen,
OPZ II, lecture hall

Abstract deadline:

May 15, 2013
Send via email to:
bettina.peter@uk-essen.de

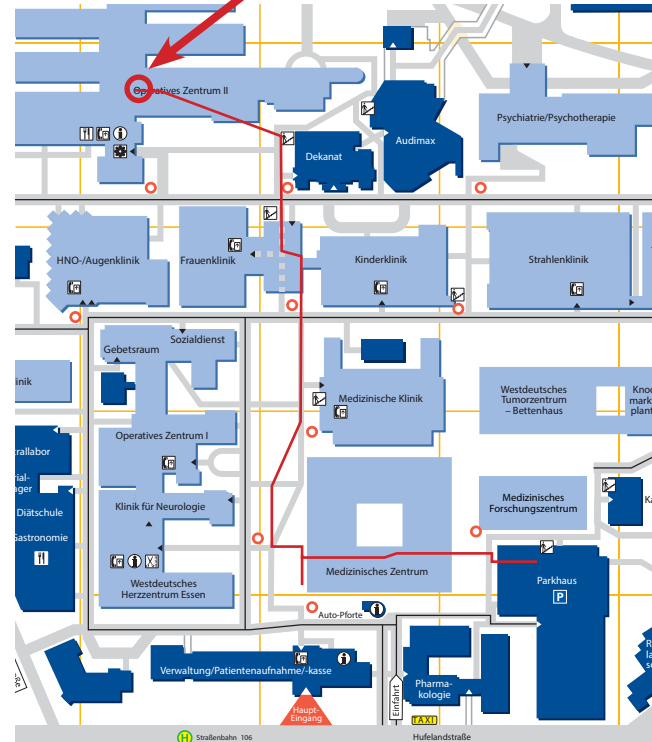

Poster size:

90 cm width x 200 cm height

Conference Office:

Bettina Peter
Secretary
University Hospital Essen
Institute of Molecular Biology
Hufelandstr. 55
tel.: +49 201 723 4387
fax : +49 201 723 5974
E-Mail: bettina.peter@uk-essen.de

Conference Venue, OPZ II

Sponsored by:  Deutsche Forschungsgemeinschaft

 DRG Instruments Marburg

7th International Conference on the Female Reproductive Tract

University of Duisburg-Essen
University Hospital

July 6, 2013

 Universitätsklinikum Essen
Hufelandstr. 55
45147 Essen

 Universitätsklinikum Essen

Saturday, July 6, 2013

8.00 am Registration

Chair: Ulrike Fuhrmann, Berlin, Germany

4.30 – 5.00 pm **Alexandra Gellhaus, Essen, Germany**
Molecular mechanisms of CCN proteins regulating trophoblast proliferation and invasion

9.00 – 9.15 am **Welcome address by Prof. Dr. Ulrich Radtke**
Rector of the University of Duisburg-Essen

11.30 – 12.00 pm **John Aplin, Manchester, UK**
Molecular indications of receptivity

9.15 – 9.30 am **Welcome address by Prof. Dr. Jan Buer**
Dean of the University Hospital, Essen

12.00 – 12.30 pm **Nava Dekel, Rehovot, Israel**
Successful implantation: the inflammatory components

5.00 – 5.30 pm **Stephen Lye, Toronto, Canada**
Physiologic inflammation: A new paradigm for the initiation of labour

Chair: Elke Winterhager, Essen, Germany

9.30 – 10.00 am **Klaus Willecke, Bonn, Germany**
Gap junction research: state of the art and future challenges

12.30 – 1.00 pm **Asgi Fazleabas, Grand Rapids, USA**
Endometrial function and dysfunction: implications for fertility

5.30 – 5.45 pm **Closing Remarks**

10.00 – 10.30 am **Ken Korach, Research Triangle Park, USA**
Genetic models to analyze the spectrum of estrogen receptor actions

1.00 – 3.00 pm **Lunch and Poster Session**

Chair: Irit Granot, Rehovot, Israel

10.30 – 11.00 am **Coffee break**

3.00 – 3.30 pm **Myriam Hemberger, Cambridge, UK**
Epigenetic regulation of stem cell potency and commitment to the trophoblast lineage

11.00 – 11.30 am **Gerald Kidder, London, Canada**
Multiple distinct roles for connexin43 in female reproduction

3.30 – 4.00 pm **Hubert Schorle, Bonn, Germany**
First lineage decision: who is dominating whom?

4.00 – 4.30 pm **Bernd Fischer, Halle, Germany**
Metabolic programming in early pregnancy
